# Aleya Tarver Horsemanship

Thank you for your interest in my Horsemanship Program. Horses do a great many things for us humans. They provide companionship when we are alone, an ear to which secrets can be told and the freedom to explore who we are without judgment. They help bring a shy person out of their shell and become more assertive. Whilst humbling the braggarts. They are mirrors to our deepest beings and make us more aware of how we as individuals impact those around us.

Students involved in the program will be taught all aspects of horsemanship in their pursuit to become self-sufficient riders. They will ultimately be responsible for catching their horse, grooming, bridling and saddling. It will take time for them to acquire these skills. They will be taught the names of the grooming equipment and how to properly use them. After tacking up, we will then go to the arena for our riding lesson. During this time they will work on acquiring a good hands and seat. This will include some bareback and lunge line lessons at times. After their riding lesson they will be responsible for cooling out their horse, cleaning their equipment and returning everything to its proper place. Some of the non-horse skills they will be acquiring through these efforts are; self-confidence, responsibility, patience, follow-through, safety, and problem resolution.

School horses are provided or you may take lessons on your own horse. Helmets are required and are provided by the school. You are welcome to purchase your own helmet and it is recommended. Please be aware that a bicycle helmet does not offer quite the same amount of protection as certain riding helmets.

Within the first month of starting the program, you must acquire the proper riding shoes. These are not too expensive and are easily obtained please ask Aleya for additional details. I encourage wearing either stretch leggings or proper jodhpurs, breeches or jeans as shorts can be very uncomfortable to ride in due to the chaffing on the leg caused by the stirrup leathers.

The program is held rain or shine. I have a covered arena with lights to provide year-round use. Please be aware that there are some un-mounted lessons as part of your continuing education in *horsemanship*. Some of these activities will include, but not limited to, how to clip, how to lunge, farrier work and basic anatomy. I also have some educational video tapes on riding skills which are very helpful for students to watch, as it gives them a visual picture of some of the basic mistakes that are usually made when first learning.

Due to the financial burden of providing lesson horses, their upkeep and maintenance, supplies, helmets and insurance, I am unable to offer multiple child discounts at this time. There are however, discount lesson packages available. If this program does not work for your needs, I also offer regular riding lessons on a weekly basis.

If you should have any questions, or need any additional information, please feel free to call Aleya Tarver at (530)554-0070 or email at [letsgoride@att.net](mailto:letsgoride@att.net).

## **LESSON PACKAGE INFORMATION**

I am happy to announce a revision to my discount lesson program. This program was instituted to give the client the chance to participate in lessons at a reduced price and in return, stabilize my income. It has been thru quite a few changes, as I figure out what works out best for all parties involved.

I have tried to do big packages at a cheaper rate per lesson, unfortunately since my bills come monthly, getting paid every 10 weeks was not very efficient. SO, this is what I came up with:

Regular lessons are \$50 per session.

Four lessons a month- \$40 per = \$160

Eight lessons a month- \$35 per = \$280

Additional lessons- \$30 per

Lessons maybe in groups or private, but there is no difference in price. It is all a matter of who shows up for the lesson.

**\*\*Lesson times are when the lesson begins. Students need to be in the arena on their horse (or waiting quietly at the mounting block) at the time indicated for their lesson. Please arrive early enough to accommodate catching, grooming, and saddling of your pony/horse\*\***

Upon enrollment you need to determine the day(s) and time(s) of your lesson. Make-up lessons ***must*** be done the week of missed lesson to count toward lesson package. There is a mandatory 24 hr notice prior to missed lesson in order to make it up. If less than 24 hr notice is given then the lesson is forfeit and will be deducted from your package.

If you have any questions or need special any special arrangements, please contact me at 530-554-0070.

Happy Trails!
